More Coronavirus Updates

Following the PCC meeting on Monday it has been decided to remove all the seating restrictions at St. Mary's. Masks are no longer required but can be worn if desired by individuals. We hope people will feel confident with this decision but we leave it to you, as individuals, to use your own discretion about where you sit and to take personal responsibility for ensuring you are as Covid – safe as possible for yourself and for those around you. Whilst the weather remains favourable, both doors of the Church will remain open during services to allow as much ventilation as possible.

The first part of the Sunday morning services will continue to be posted on the St Mary's Facebook page and Website, as soon as possible after the service.

The Wednesday evening services have finished but the 11am Holy Communion (BCP) services have now restarted on the 1st and 3rd Wednesdays of the month.

Dates coming up (subject to any new regulations):

October:

Sunday 10th 6.30pm Said Evensong (BCP)

Sunday 17th 10am Together@Ten

End of Lockdown Thanksgiving Update

Our plans for marking the end of the lockdown restrictions had to be postponed but we will be holding a Cream Tea in the Church Hall from 3pm today, Sunday 3rd October. so everyone can have a chance to see the kitchen which was refurbished last August. There will then be an early evening Harvest Praise Service at 4.30pm.

Prayer Requests

If anyone would like prayer for any reason, please do get in touch. We can add your name to the prayer list on the weekly Church News, or we can pass your request on to other members of the Church who are praying regularly via a couple of WhatsApp groups. Give as much or as little information as you feel able to share. Alternatively, please contact Rev'd David Gill on 01752 771033 or by email to dbmgill@tiscali.co.uk

Refreshments

Refreshments are now being served at St. Mary's after the 10am services once again. Thank you to Pat Brooks and all the volunteers who are helping to make this happen. We hope you feel able to stay and have a cup of tea or coffee and a chat.

It has been suggested, in order to be more environmentally friendly, as well as saving the Church some money (as well as some washing up), that people may like to bring their own reusable coffee cups or drinking vessels. We therefore invite you to do so. You will, probably, also have a larger cuppa by doing so!
